4	T.D. Bits R.T.S. 1/4" to 5/8".	Twelve bits in each size.
5	Do 3/4"	Six bits

The tenderers should quote their best billing prices, which would be firm for a period of one month from the date of the tender. The rate should be quoted both in figures and words. The earliest period within which delivery could be effected may be specified in the tender.

No enhancement of rate for whatever causes will be permitted when once the quotation is accepted and orders placed therefor. Withdrawal from the quotation after it is accepted will entail cancellation of the order and forfeiture of earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms of period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the Department for local purchases.

The tenders should be superscribed as "Tender for supply of Heavy Duty Electric Drill, etc., to be opened on 8th February 1951 at 12 NOON".

K. VEDANTHIENGAR,
For Chief Electr. Engr.
